## Bethany | Le Corbusier Down-Filled Sofa

\$2,842.00

### Description

The Bethany collection is HONORMILL's interpretation of the iconic grand and petit confort seating series. Our Bethany sofa is crafted to the highest standards with chrome stainless steel frame, dense foam padding and genuine goose down for luxurious comfort. Upholstered in a selection of fine leathers, these comfortable pieces are suitable for use in both the modern home or office environment. If you have a specific requirement for a project, we're

happy to help. Please contact one of our professionals to discuss your requirements.
