Burdett | Studio Queen Bed - Beige

\$2,471.00

Description

Modern and minimalistic, the designer Burdett queen bed is paramount for the most stylish and comfortable of bedroom retreats. This queen-sized upholstered platform bed frame is made of both hardwood and MDF and is fully upholstered in dark beige linen with underlying padding. The upholstered headboard features an attractive tufted look with seams pulled inward at the corners of the fabric panels. A slatted base makes this a platform bed with no need for a box spring.
