## Charlotte | Spelto Side Chair

\$193.00

## Description

Our replica Cherner spelto dining side chair with molded plywood seat utilizes a unique construction of laminated plywood of graduated thickness. The number of plies varies from 15 at the 'throat' of the seat to 5 laminations at the seat's perimeter. This feature, plus the molding of compound curves, permits a structurally superior design which is sculpted in form and posture supporting.

American walnut veneer, natural finish bent plywood.
