Farmingdale Workstation

\$1,926.53

Description

Modern and versatile, HONORMILL's Farmindale workstation is ideal in small office spaces for hiding documents and other equipment. Offering ample storage throughout the entire unit, it also has a drop-down door which converts into a work area for your laptop or tablet. The roomy drawer and doors in the bottom half of the unit offer extra storage to deliver a well designed home office system that is both practical and stylish. Requires Assembly.
