Minoa Ceiling Lamp 6 Arms

\$1,511.00

Description

Simple yet elegant, this reproduction serge mouille ceiling lamp makes a dramatic addition to a variety of room settings. 6 rotating arms of different lengths and heads that revolve and tilt make this lamp capable of projecting upwards, downwards and sideways. True to the original design, the lamp is finished in either black or white with brass swivels connecting shades and brass stops for the arms. The Andes ceiling lamp is a carbonized steel construction finished in black. At the end of each arm is a scoop-like shade that can be adjusted up and down or from side to side to direct lighting over a wide reaching area. Each arm takes E12 40W bulb (not included).
