Newhaven Loveseat

\$1,636.00

Description

Unquestionably Victorian-inspired, the Newhaven Banquette is an approachable, more casual adaptation of an old-world settee. This linen upholstered bench works wonderfully in just about any setting: foyer, living room, dining room, you-name-it!

An engineered wood frame is topped with firm foam cushioning (CA117 compliant) before being upholstered and studded with seemingly endless buttons and silver upholstery tacks. Black lacquer wood legs with non-marking feet complete the Victorian settee. The Newhaven Victorian Loveseat requires minor assembly and calls for spot cleaning as necessary. Available in gray or beige linen (sold separately).
