Parish Barstool

\$349.00

Description

Our Parish barstool is constructed with a padded seat and back of black faux leather with comfortable foam cushioning and a walnut plywood shell. It has a 360 degree swivel function and is adjustable height with a chrome-plated steel gas lift piston and base, which is finished with a non-marking plastic ring for grip and to protect flooring. This versatile barstool is a popular option for the kitchen as well as at casual bar height tables. Requires assembly. Wipe clean with a damp cloth.
