## Riverside Bed

\$1,511.00

### Description

Bring some whimsy back into your bedroom. Our Riverside bed features an elegant scalloped headboard with silver nail head trim along its border. This option is a queen size made with white faux leather upholstery, though we also offer black faux leather and gray linen in various sizes (each sold separately). A wooden frame with black wood legs and foam padding complete your new contemporary bedroom furniture. Seeing that this is a platform bed, a box spring is not required (slats are included). This Malaysian-made bed requires assembly and should be wiped clean with a damp cloth.
