## Rosendale Chair

\$692.00

### Description

Traditional button tufting and neutral beige linen upholstery paired with a unique extra tall backrest make this otherwise classic design a modern force to be reckoned with! The resulting style screams luxury and designer inspiration but without the unapproachable price tag. The modern accent chair, which befits a classy lounge or living room alike, is built on a birch wood frame with black legs and foam cushioning. The fully assembled Rosendale Chair should be spot cleaned. A matching loveseat is also available (sold separately).

#### Features:

- Transitional modern club chair
- Beige linen fabric upholstery
- Birch frame with black stained legs and non-marking feet
- High density polyurethane foam cushioning (CA117 flame retardant)
- Button tufted extra tall backrest
- Fully assembled
- Spot clean
- Matching loveseat also available (sold separately)
