Description

Saranac | Saarinen Sofa

Through his use of modern moldable materials and luxe textiles, Saarinen was able to produce artful seating with a sculptural quality that stands as a testament to the mid-century design era. To that end, he collaborated and consulted with some of the most lauded furniture designers of the period.

Some design experts of the period say the lines and shapes of Saarinen's architectural structures were echoed in his furniture designs. With his Saarinen Sofa, the shape of some of his architectural endeavors is evident.

Features & Benefits

- Enveloping design and plump cushion seat offer hours of seated comfort.
- High-quality steel rods are highly polished in chrome creating legs that are at once sturdy and stunning.

About the Designer

With his positive, forward-thinking outlook famed architect and modernist Eero Saarinen created iconic furniture designs to solve everyday problems during his highly lauded career from the early 1930s through early 60s. He sought to elevate one's existence through architecture and design with great award-winning success. Along with his acclaimed Tulip Table, Saarinen created many instantly-recognizable furniture designs from the Womb Chair to the Saarinen Executive Chair collection. His furniture has become a featured element in many modern homes today.

Special Care Instructions

To clean, avoid use of harsh acidic or abrasive cleaning solutions. For cleaning and maintenance of wood, use a soft dry cloth to dust if needed. For spills, use a damp soapy sponge or cloth. Consult the manufacturer warranty and cleaning instructions for care of upholstery.
