Dewitt | Fiberglass Shell Rocker

\$491.00

Description

HONORMILL's DeWitt collection features quality reproductions of the mid-century classic, shell chair design. Available in a wide range of colors, materials, and leg configurations, our DeWitt chairs provide practical seating options for both residential and commercial spaces - from the modern home's dining room or children's bedroom, to the office meeting or waiting room. This fiberglass DeWitt rocking chair is true to the original specifications, and is available in a variety of shell seat colors and hardwood rocker feet options. Eiffel-style stainless steel bracing adds additional stability to this piece, while rubber disc shock mounts under the seat support the base for increased comfort. If you have a specific requirement for a project, we're happy to help. Please contact one of our professionals to discuss your requirements.
