Savona Chair

\$1,384.00

Description

This is our replica harcourt f585 chair. Its comfortable shell seat, originally designed by Geoffrey Harcourt, introduced a new business-like character that penetrated to the homes of people with a taste for style. Its refined simplicity, austere functionalism and sheer swanky charisma have charmed us to no end.

The F585 with metal base is pleasantly futuristic but, at the same time, nostalgic. A chair that both Dr. Evil and Austin Powers could agree on.
