## Dewitt | easy Upholstered Fiberglass Shell Armchair

\$646.00

## Description

HONORMILL's DeWitt collection features quality reproductions of the mid-century classic, shell chair design. Available in a wide range of colors, materials, and leg configurations, our DeWitt chairs provide practical seating options for both residential and commercial spaces - from the modern home's dining room or children's bedroom, to the office meeting or waiting room. This upholstered fiberglass DeWitt armchair is true to the original specifications, and is available in a variety of fabric options on a padded white fiberglass shell. The polished stainless steel legs with plastic feet runners to protect flooring surfaces from scratching. If you have a specific requirement for a project, we're happy to help. Please contact one of our professionals to discuss your requirements.
