Vernon | Panton S Chair

\$258.00

Description

Our reproduction of the classic, award-winning panton S chair will definitely be the center of attention in any room of your house. This iconic chair originally released in 1967, has won various design awards and has appeared in the collections of many renowned museums. This chair is just as comfortable as it is stylish. The robust cantilever base and overall shape of the chair provide for comfortable seating.

In 1960, Panton was credited with creating the very first single-form injection-molded plastic chair with the Panton stacking chair.

Features:

- Made of polypropylene in a single mold
- Matte surface
- Stackable up to 4 high
- Suitable for indoor/outdoor use
