### Masterful Incarnation

Inspired by Wegner's original creation, we mirrored the expert craftsmanship and authenticity with our own Wampsville | Wegner Armchair – Walnut. This captivating armchair features the same elegant precision rendered in handcrafted wood and finely stitched upholstery.

### Attainable Luxury

Modern design lovers know the true value and high cost of owning an authentic original

from one of the great designers of the period. We understand not everyone has ample means by which to attain such a piece. With that in mind, we offer our masterful replica of Hans Wegner Kennedy Armchair made with high-quality materials and careful craftsmanship at a modest price point. Among other such armchairs, the materials and expertise used to create our products are top quality. This allows you to own and enjoy a classic modern icon without foregoing quality.

### **Decorous Details**

Based on one of the most lauded modern armchairs of the mid-century design period, our homage to Wegner's Kennedy Armchair boasts all the tailored detailing of the original. From the elegantly-rendered chair form with enveloping design, each detail is exacting and meticulous. The upholstery is carefully stitched with base cushion and over cushioning for added comfort. While the chair's solid wood construction provides support and organic-like beauty with flowing lines.

### **Fine Leather Upholstery**

The chair's seat is padded and then upholstered in genuine Italian leather. The look of classic black against richly finished solid wood provides a stately style to any room. For a bespoke look, provide your own COM fabric or leather.

### **About the Designer**

Danish designer Hans J. Wegner was considered one of the most prolific and creative furniture designers of the mid-century era. He was often touted as "master of the chair" having designed over 500 different chairs during his life. Wegner most notable designs include the CH445 Wing Chair and Wishbone Chair. He strived to bring the —soul' of each piece to its exterior where its simplicity and function are visible.

### **Special Care Instructions**

To clean, avoid use of harsh acidic or abrasive cleaning solutions. Use soft dry cloth for general clean-up. For cleaning and maintenance of upholstery, please refer to the manufacturer's directions. Avoid getting cleaning solutions on upholstered elements.
