Halcott | Kayser Model 711 Chair

\$1,108.00

Description

Our Halcott armchair is a replica of the model 711, true to the original, and a wonderful example of classic modern design with a Danish influence. Its frame is crafted with genuine American walnut, Ash, Beech, White oak or Maple wood, and finished with two upholstered cushions in a variety of fabrics to form the the seat and back. This comfortable armchair offers an ideal option for everyday relaxation.
