Westford Sofa

\$2,224.00

Description

The Westford sofa is our replica of the classic design, Plank GE 290 lounge chair and sofa range from 1953. It features a solid hardwood frame with wide arms and legs, and thickly padded back and seat cushions upholstered in a variety of fabrics. Featuring clean lines with a comfortable form, this easy chair works well in the modern home's living room on its own, or, paired with the matching armchair or two-seater loveseat.
