Wheatland Sofa

\$3,336.00

Description

This is our replica FK 6720 easy chair and sofa series, originally designed in 1968. The reproduction FK 6720 3-seater sofa is constructed from a solid #304 stainless steel frame in a chrome polish finish, and fully upholstered in fabric or leather over high density foam and duck feather cushions. Its easy angles and modern shape lends itself to use in both the modern home or office environment. If you have a specific requirement for a project, we're happy to help. Please contact one of our professionals to discuss your requirements.
