Oxford | Original Coffee Side Table - Small

\$755.00

Description

This unique side table is constructed with a solid steel wire cage base and a round marble top that features plenty of natural character - no two are the same due to the unique pattern variations. Available in original stainless or polished gold finish, with black or white marble, this architecturally interesting piece lends itself to use in both the home or commercial environment. A matching coffee table is also available, sold separately.
