Hector | Nelson Slat Bench 6Ft

\$970.00

Description

HONORMILL's Hector bench collection features pieces inspired by the mid-century design classic, platform bench. Our Hector 6 foot slat bench is constructed with ebonized maple legs that are finger-jointed for superior strength with a horizontal slat seating surface of natural maple, spaced so that air and light travel through. Simple yet stylish, this functional and versatile piece works as a bench, table, or room accent in a variety of modern home spaces and comes in three different lengths.
