Jasper | Featherston Contour Ottoman

\$556.00

Description

HONORMILL's Jasper furniture collection includes quality reproductions of the mid-century modern classic, R160 Contour Chair and ottoman footstool. Our Jasper ottoman is constructed from a hardwood frame and solid wood legs, padded with a wide selection of fabric upholstery that features button tuft detailing. A perfect partner to the matching armchair, it's a very comfortable ottoman or footstool. If you have a specific requirement for a project, we're happy to help. Please contact one of our professionals to discuss your requirements.
