## Jasper | Featherston Contour Chair

\$1,763.00

### Description

HONORMILL's Jasper furniture collection includes quality reproductions of the mid-century modern classic, R160 Contour Chair and ottoman footstool. Our Jasper armchair is constructed from a hardwood frame and solid wood legs, padded with a wide selection of fabric upholstery that features button tuft detailing. Perfect as an occasional or lounge chair in the modern home or office reception area, it's an incredibly comfortable piece especially when paired with the matching ottoman (sold separately). If you have a specific requirement for a project, we're happy to help. Please contact one of our professionals to discuss your requirements.
