Depew | easy Wire Bikini Chair

\$388.00

Description

Our Depew wire chair collection includes replicas of the classic wire DKR chair and are ideal options for every day use as a dining, side, waiting room, or accent chair in the modern home or office. True to the original, this chair is constructed with an Eiffel wire base and frame of polished stainless steel or powder coated finish. The bikini seat/back cushion pad is available in a range of color options. If you have a specific requirement for a project, we're happy to help. Please contact one of our professionals to discuss your requirements.
