Geneva | Florence King Bed

\$2,583.00

Description

Our Geneva furniture collection is designed after the classic mid-century designer pieces. This inspired King bed takes style and design from the popular sofa, settee, and chair collection, and brings it to the bedroom. Available in both queen and king size, it is constructed from a high grade tubular stainless steel base, Mdecore, and CFS foam. The padded headboard comes in two heights with black or white upholstery - in genuine Italian leather or naugahyde leather-match - and features distinct, individually sewn square button tuft and welt detailing. Mattress not included.
