## Bite Table Lamp

\$646.00

### Description

Living up to its name, the simple but chic design of the Bite table lamp features a metal cylinder base with a contrasting, concave, "bite". Offered as a table or floor lamp and end table, alone or together, the elegant and well-balanced form adds a sophisticated accent to any modern space. Available with either a black nickel base and white shade or silver base with black shade (sold separately).
