Eska Dining Chair - Brown

\$715.49

Description

The Eska dining chair takes inspiration from Japanese minimalist design. An elegant frame in solid oak has been carefully cut prepared and seared sealing the wood and highlighting the unique texture and grain of each chair. A simple fitted seat cushion complements the Eska's refined aesthetic. Solid oak will darken over time and, if cared for, will develop an ever more beautiful patina.

Additional Information

SKU	SNVO112484
