Shuffleboard Table - Burnt Umber

\$11,922.48

Description

The District Eight shuffleboard table adheres to the design philosophy behind the Lusine Industrial collection, combining classic French factory industrialism with a pared down modernist aesthetic. Striking and resilient, the shuffleboard table features a pedestal base rendered from reclaimed cast iron machine parts with a top constructed from reclaimed hardwood, recycled from renovated colonial era bridges, factories and warehouses in Vietnam. The game board is laminated with North American oak and has a high durability lacquer finish.

Additional Information

SKU	SNVO113216
Dimensions	108.3" x 29" x 29"
Product Details	burnt umber reclaimed wood top, black cast iron base
Distance Between Legs Length	78.8"
Distance Between Legs Width	24.5"
