## Rome | Celia Queen Bed

\$2,471.00

### Description

The contemporary design of our padded, upholstered platform Rome queen bed provides the finishing touch to your urban bedroom space. Constructed with a solid wood frame, the bed features a headboard, side rails, and footboard upholstered in black or white faux leather with foam padding. The interior sides are lined with fabric and the modern look is finished off with black wood legs, which have non-marking feet. Slats are included, which serve as a box spring, so all you need is a mattress. Assembly is required.
