Middletown | Echo Dining Chair Set

\$466.00

Description

An on-trend industrial inspiration makes HONORMILL's Middletown dining chair set very of-the-moment, but its simple, clean design ensures a lifetime of appeal. This contemporary chair is made of powder-coated steel with a shiny, mottled gunmetal (dark metallic silver) finish with non-marking feet. The dining chair is fully assembled, sold as a set of two, and is not stackable. To clean, wipe with a damp cloth.
