Wave After Wave Hand Painted Canvas

\$396.00

Description

Reminiscent of sea foam washing onto the sand, this coastal abstract on canvas showcases an eye-catching contrasting composition. The top of the artwork features sea foam green and turquoise shades that change to dark bronze, ochre, and gold leaf tones. Each canvas is stretched over a wooden frame and surrounded by a textured, champagne silver gallery frame. Due to the handcrafted nature of this artwork, each piece may have subtle differences.
