## Horizon Full Stainless Steel Bed Frame

\$264.00

## Description

Sleep better with the Horizon Metal Bed Frame. Horizon is made with a reinforced stainless steel metal base for long-term comfort and uses with a generous 14 inches of space underneath to store hobby collections or seasonable clothing bins. Horizon comfortably supports up to 1300 lbs, easily folds away when not in use, and eliminates the need for a box spring with its heavy duty platform frame construction. Complete with non-marking foot caps to keep your carpets and floor safe, Horizon is a low profile modern bed frame that supports the standard mattress types on the market: memory foam, spring, latex or hybrids. Available in twin, full, or queen, Horizon reduces annoying squeaks and unpleasant bending or buckling, while transforming your home decor with a selection of stylish color options. Designed to provide lasting support for years to come, Horizon prevents saggy mattresses and increases the mattress lifespan while delivering a better-made bed frame solution for your home. No tools required. Mattress not included. Set Includes: One - Horizon Full Bed
