Saarinen Tulip 36" Round Wood Top Coffee Table With Tripod Base

\$478.00

Description

Reflecting a seamless organic shape and timeless form, the Lippa Table has become a symbol of modernism for over the past 60 years. Before its release, homes were filled with clunky remnants of an industrial age long gone by. But in order to advance into the new world, homes first had to transition from the traditional square table, into a piece that connoted progress. A twist on the original design, this coffee table features a round walnut veneer MDF table top lacquered with a scratch-resistant finish and tripod base with tapered walnut stained dowel legs. This rendition of Lippa is a coffee table that's perfect for the living room, lounge area, or home office. Set Includes: One - Lippa 36" Round Coffee Table with

Tripod Base
