## Makeshift Upholstered Fabric Loveseat

\$1,789.00

### Description

Dont let its appearance mislead you. The Makeshift collection is really as sturdy and pleasantly comfortable as could be. But perhaps the foremost challenge of modernism is to impart something above the ordinary. To raise expectations, and portray craftsmanship as a delicate work in progress. The nearly free-standing padded leather seat and back, and organically shaped solid ash wood frame, present a paradox of sorts. Set Includes: One - Makeshift Loveseat
