Montgomery | Linea Bar Cabinet

\$1,888.00

Description

The linear forms of our multi-functional Montgomery series are inspired by Nathan Yong's contemporary furniture designs. Offering stylish solutions for modern home or office storage, each piece features horizontal slat detailing and is constructed from solid wood and MDF with a walnut stain and veneer finish. Our Montgomery bar cabinet opens with two folding extension surfaces and cupboards that feature built-in door storage, and has two internal drawers, two wine rack shelves, and ample space for glassware, bottles, and other beverage supplies.
