Saarinen Tulip 24" Wood Dining Table

\$0.00

Description

Reflecting a seamless organic shape and timeless form, the Lippa Table has become a symbol of modernism for over the past 60 years. Before its release, homes were filled with clunky remnants of an industrial age long gone by. But in order to advance into the new world, homes first had to transition from the traditional square table, into a piece that connoted progress. The base and dimensions are true to the original specifications, while the tables square top, and tapered base, are carefully lacquered with a chip resistant finish. Set Includes: One - Lippa 24" Side Table
