## Transform Adjustable Twin XI Wireless Remote Bed Base

\$1,186.00

## Description

Revamp a guest suite, bedroom, or college dorm with fully customizable sleep from the Transform Adjustable Twin XL Bed Frame. This adjustable mattress foundation allows you to find your perfect position while watching TV, reading, sleeping, or simply relaxing while in bed. Featuring a zero-gravity option that provides alignment and support to relieve pressure on the lower back, Transform's range of ergonomic positions allow you to achieve your ideal sleep and rest environments with the touch of a button on the wireless remote. Resting atop six sturdy steel legs, this durable adjustable mattress base eliminates the need for a box spring and supports memory foam, hybrid, and latex mattress types. Bed Weight Capacity: 772 lbs. Set Includes: One - Transform Adjustable Twin XL Wireless Remote Bed Base
