## Arcade | Applegate End Table

\$692.00

### Description

A truss-style black steel frame builds the foundation for our Arcade marble-top coffee and end table series. Featuring plenty of natural character, no two tables are the same due to the unique pattern variations of the Black Marquina or White Carrara marble tops. Sleek and modern, this square end table fits effortlessly into a variety of decor styles and is ideal for every day living use. Requires some assembly.
