## Geneseo | Florence End Table

\$999.00

### Description

Born of the original mid-century modern designs, our Geneseo coffee and end tables are highly versatile pieces that are equally at ease in a home or executive office setting. This 29.5" square Geneseo end table's legs and frame are constructed from heavy duty chrome steel with a surface of either tempered glass or marble, which provides plenty of natural character due to its unique pattern variations. If you have a specific requirement for a project, we're happy to help. Please contact one of our professionals to discuss your requirements.
