## Lippa 28" Artificial Marble Bar Table

\$1,062.00

### Description

Reflecting a seamless organic shape and timeless form, the Lippa Bar Table has become a symbol of modernism for over the past 60 years. Before its release, homes were filled with clunky remnants of an industrial age long gone by. But in order to advance into the new world, homes first had to transition from the traditional square table, into a piece that connoted progress. The base and dimensions are true to the original specifications, while the table's round artificial marble top is complete with a scratch-resistant finish and the metal tapered base features a polished rose gold finish. Set Includes: One - Lippa 28" Bar Table
