Paris Bar Stool

\$181.00

Description

The Paris Bar Stool will take your kitchen to new heights of style. It is a contemporary version of a mid-century modern classic featuring an iconic molded plastic seat and eiffel base. This eiffel base originated in the golden era of furniture design created by famous furniture pioneers Charles and Ray Eames. Its molded plastic seat is world renowned especially among design enthusiasts. Its high backrest and contoured seat perfectly cradles the body for exceptional ergonomic comfort. Its 4-legged base is reinforced with metal criss-cross wires and a round wrap-around footrest. This "eiffel" design gets its name from the legendary Eiffel Tower in Paris. This is an incredibly popular bar stool versatile enough to fit in a variety of design settings.
