Ellen Counter Stool

\$455.00

Description

Elements of both the past and present join forces with the Ellen Counter Stool with Natural Cane. This innovative design features a round and perforated mesh high backrest. It is made using real cane and its frame is built from metal with an elegant arched reinforcement accentuating its style and its strength. Together this remarkable stool has an organic and inventive take on classic, even traditional furniture shapes. It has a sturdy 4-legged base and footrest with smooth edges from top to bottom. Its vintage-modern appearance is a wonderful way to bring both worlds of design into your upgraded kitchen.
