\$106.00

Description

Bring the sensible charm of a Parisian cafe into your home with the Garvin Counter Stool. Similar to the remarkable style of the Tolix Chair by famous French designer Xavier Pauchard, this counter stool is affordable and high-quality reproduction. This industrial-chic stool is made from sturdy galvanized steel capable of being used both indoors and outdoors. It features non-slip feet for added stability and no scuffing. It has a rounded, high-backrest and 4-legged base design in a traditional bistro-cafe style for enjoying a rejuvenating cup of coffee or a smooth glass of wine.
