Angie Side Chair

\$256.00

Description

This famous 1950s design by Harry Bertoia made headlines when it first came onto the furniture scene. Today, replicas of the original remain one of the most desired chairs for modern design enthusiasts. It features an airy mesh wire frame with a high backrest cradling the body in an ergonomic fashion. Its sturdy sled base and sleek layer of padding provide extra support and even more comfort. This is a chair with retro appeal, contemporary style and classic comfort all furnished into one.
