\$162.00

Description

Memorable Danish design takes a solid approach with the Largo Dining Chair. Similar to famous designs by Hans Wegner and Finn Juhl, the Largo Dining Chair turns remarkable style into everyday dining furniture. Its open backrest features an arched shape perfectly contoured for ergonomic comfort. Combining support with visual appeal, its back legs are slightly angled reducing any strain on its wood frame for long-lasting use. It features a sleek foam padded seat for extra comfort as you dine. This mid-century dining chair is made for a variety of settings including modern, contemporary, farmhouse, rustic, shaker, mid-century modern and cottage country.
