Capri Dining Chair

\$68.00

Description

Similar to famous mid-century modern designs by Hans Wegner and Finn Juhl, the Capri Dining Chair turns remarkable Scandinavian style into everyday dining furniture. Its curved backrest resembles the shape of a crescent moon designed for ergonomic comfort. Combining outstanding support with visual appeal, its back legs are slightly angled reducing any strain on its frame. It features a sleek foam padded seat for extra comfort as you dine. This versatile dining chair is made for a variety of settings including modern, contemporary, farmhouse, mid-century modern and industrial.
