Description

In the likeness of famous vintage designs by Hans Wegner and Finn Juhl, the Kelly Side Chair turns intelligent Scandinavian style into everyday dining furniture. Its curved backrest cradles the body featuring smooth round edges designed for ergonomic comfort. Combining support with visual appeal, its back legs are slightly angled reducing any strain on its frame. It features a smooth foam padded seat for a comfortable dining experience. This contemporary chair is made for a variety of design settings including modern, farmhouse, rustic, shaker, mid-century modern and cottage country.
