Janet Dining Chair

\$267.00

Description

The Janet Dining Chair is a rustic contemporary dining chair with natural accents and eye-catching details. It features an open oval backrest made of real cane in a breathable perforated pattern. Its lightly padded seat is made from genuine woven rattan nestled in a combination of wood and metal frame. Arched supports surround the base of the 4-legged design adding strength and visual appeal. It is a blending of retro form with the use of contemporary materials creating a truly unique take on dining room design. It is available in 3 modern finishes suitable for a variety of living settings.
