## Celine Dining Chair

\$119.00

## Description

Modeled after the famous 1950s chair created by iconic designers Ray and Charles, this is an affordable and strikingly similar variation of the original version. The Celine Plastic Side Chair features a molded plastic shell with a plush seat cushion contoured for ergonomic comfort. It has a solid 4-legged base in an elegant splayed and tapered style. Its traditional wood base combined with mid-century modern molded plastic is a perfect blend of contemporary meets classic design for your upgraded dining room.
