\$127.00

Description

The Maxine Velvet Dining Chair is a comfortable dining chair upholstered in a luxurious velvet fabric. It features a vintage meets modern style comparable to the lush seating of the Hollywood 1930s without too many embellishments. It has a beautifully curved high backrest with subtle accent stitching along its fabric. Its sturdy 4-legged base design comes in a contemporary splayed style. It is lightly padded with a deep seat designed for ergonomic comfort. This is the type of plush dining chair made for modern dining rooms and kitchens desiring comfort and style in one contemporary chair.
