Description

Whether you are sipping a morning cup of coffee or casually dining with friends, the Garvin Dining Table is the perfect size for a kitchenette, patio or cafe style setting. Its retro design is similar to the famous industrial Tolix designs by Xavier Pauchard. Made of galvanized steel, this bistro dining table is suitable for both indoor and outdoor use. No scuffing on floors either with its protective rubber feet. It is a vintage-modern treasure befitting a variety of contemporary spaces.
